

MATERIAL SAFETY DATA SHEET

1. IDENTIFICATION OF THE SUBSTANCE/MANUFACTURING COMPANY	
Product name	Hind ERS UL (Part C- Filler)
Trade Name	Filler Component of three part high Strength self - smoothening epoxy underlay underlay.
Supplier	HINDCON CHEMICALS LIMITED
Registered Office	Works
62B, Bruanfeld Row, 1st Floor, Kolkata-700027 Ph. No.:- 033 2449 0835/39. Fax:- 033 2449 0849	Baniyara, P.O. Begari, Jalan complex, Gate No – 3 Howrah 711411. Mouza Narendrapur, P.O-Munsirhat, G.P-Shankarhati- II , P.S-Jagatballavpur, Dist: Howrah, Pin: 711410
2. HAZARDS IDENTIFICATION	
Hazard Information	Long term inhalation may cause health problems
3. COMPOSITION/INFORMATION ON INGREDIENTS Composition : Mixture of silica Sand	
4. FIRST-AID MEASURES	
Inhalation	Move victim to fresh air and in well ventilated space. Seek medical advice.
Ingestion	Do not induce victim to vomiting until directed by medical personnel. Unconscious person should not be given anything by mouth. Loosen tight clothing, belt, collar and tie. Medical assistance to be arranged if symptoms are noticed.
Skin contact	Wash properly with soap and plenty of water for at 10-15 minutes and remove contaminated clothing, shoes and seek medical advice.
Eye contact	If victim is wearing contact lenses, remove it and immediately flush eyes with clean water for 15 minutes with eyelids kept wide open. Cold water is to be used with applying any eye ointment. Seek Medical attention.
5. FIRE FIGHTING MEASURES	
Extinguishing media	None, not flammable
Special Exposure hazard	None
Personal Protective Equipment	None.
6. ACCIDENTAL RELEASE MEASURES	

Steps to be followed in case the material is released or spilled	Avoid inhalation of dust. Do not allow to enter into waterways, wastewater or soil.
---	---

7. EXPOSURE CONTROLS/PERSONAL PROTECTION

a) Engineering measures	Use only in well-ventilated areas under normal use conditions. Keep the container tightly closed when not in use.
--------------------------------	---

b) Personal Protective Equipment

Hands	Suitable gloves (AS2161 Type) are recommended.
Eyes	Safety goggles or face shield is recommended.
Respiratory protection	Respiratory protection required in insufficiently ventilated working areas and during spraying
Other protective equipment	Eye wash facility. Use barrier creams to protect skin from contact with the product.

8. HANDLING AND STORAGE

Precautions for safe handling	Store between in a cool and dry place. The container should be tightly closed and kept away from all sources of heat and ignition.
Other precautions	Provide general and/or local exhaust ventilation to control airborne levels below the exposure guidelines.

9. PHYSICAL AND CHEMICAL PROPERTIES

Form	Powder
Color	Off white (Sandy)
Odour	Not Applicable
pH	Not Applicable
Flash Point (closed cup)	Not Applicable
Boiling Point	Not Applicable
Relative Density	1.70 to 1.80 at 20° C
Water Solubility	Insoluble

10. STABILITY AND REACTIVITY

Stability	Stable under normal conditions.
Conditions to be avoided	Not Known
Chemical Incompatibility	None.
Hazardous decomposition products	None.

11. TOXICOLOGICAL INFORMATION

By Inhalation	Low volatility makes inhalation unlikely at ambient temperatures.
Eye contact	May cause redness and transient irritation.

On Skin	Unlikely to cause harm on small time or occasional contact.
Chronic	Respirable dust contributes a health hazard if inhaled over long period. Inhalation of free particles of free silica, in respirable range can give rise to fibrosis of the lung.
By Ingestion	Unlikely to occur. Low order of acute toxicity.
12. ECOLOGICAL INFORMATION	
Environmental Assessment	Prevent this material entering waterways, drains and sewers.
Mobility	Insoluble in water.
Persistence & Degradability	Not applicable
Acute Fish toxicity	Not expected to be Eco toxic to fish/daphnia/algae.
Bio accumulative Potential	Not expected to be bioaccumulate.
13. DISPOSAL INFORMATION	
Disposal are to be done in accordance with Local Governmental rules and regulations. Unused Product: Dispose off in an approved manner. Used/ Contaminated Product: As for unused product. Packaging: Must be disposed off as per the local authority.	
14. TRANSPORT INFORMATION	
The product is not classified as dangerous for transport.	
15. REGULATORY INFORMATION (Safety Phrases)	
Safety Phrase	S22- Do not breathe dust
16. OTHER HEALTH & SAFETY INFORMATION	
Recommended uses & restrictions	If is product is for sale to others, details for hazards and methods for safe handling must be circulated to the customers. Customers must ensure that the product is suitable for use of their own purpose. It is the customer's obligation to ensure that a suitable and safe assessment of the risks created by a work activity using the product is undertaken before use.

DISCLAIMER OF LIABILITY

This safety data sheet is based on **Hindcon Chemicals Limited** present knowledge and experience, and is intended to serve as a guide for safe handling of the product regarding to health and environmental aspects. The above-mentioned data relates to the specified material designated. The information mentioned in this MSDS is based on present knowledge and obtained from sources which we believe are reliable. However, the information provided is intended to serve as a guide for safe handling of the product regarding to health and environmental aspects. The above-mentioned data relates to the specified material designated. We are not responsible and disclaim liability for loss, damage or expense incurred arising out of or in any way connected with the handling, storage, use or disposal of the product. This MSDS was prepared and is to be used only for this product. If the product is used as a component in another product, this MSDS information may not be applicable.
